THE MUNICIPALITY OF ARRAN-ELDERSLIE

1925 Bruce Road 10, Box 70 Chesley, ON N0G 1L0 519-363-3039

Mayor Steve Hammell

ABOUT ARRAN-ELDERSLIE

Arran Elderslie is in the heart of Bruce County, close to many major tourist destinations. Retail businesses and manufacturing companies have found the municipality to be a great place to locate. People have found that the communities that make up Arran-Elderslie are great places to raise their families and retire.

The Municipality of Arran-Elderslie was created January 1, 1999 with the amalgamation of the townships of Arran and Elderslie, including the Town of Chesley, and the Villages of Paisley and Tara. Arran, named after the Isle of Arran at the mouth of the Scotland's Clyde River, was first settled by Henry Boyle in 1851. He opened a tavern just north of Burgoyne to accommodate the settlers thronging to clear forests and make claim on the bush lots.

Invermay, Burgoyne and Arkwright were going concerns in the late 19th century with grain and saw mills, tanneries and stores. Both the Saugeen and Sauble rivers meander through Arran, as well as the Arran Lake Conservation Area.

Tara was founded by Richard Berford and John Hamilton and was first known as Eblana. The name was changed to Tara to honor the place where Ireland's ancient kings were crowned. The first industry in Tara was a saw mill built by Henry Richards in 1854 and was followed by a grist mill in 1857. Tara was incorporated as a village in 1881.

Elderslie was named after Scotland's patriot Sir William Wallace, Knight of Elderslie. It was first settled by the Simon Orchard family, and shortly after the Samuel Rowe family followed. Elderslie greatly expanded when the Elora road was built in 1854 along the Elderslie border.

Burhs include Dobbinton, Lockerby, Williscroft and Gilles Hill.

Paisley was settled in the spring of 1851 by Simon Orchard and his brother in law Samuel Rowe. Paisley, originally called Mud River is named after the city in Refrewshire Scotland.

Chesley was first settled by two families, the brothers, John, Alexander and Peter McLaggen and John and Archibald McDonald. The town began to develop when A.S. Elliot purchased Archibald McDonald's farm and built a small grist mill.

Originally known as Sconeville, the town's name was changed to Chesley in 1868. It was named after Solomon Chesley an official in the Indian Office in London, England.

On June 9th, 1888 fire destroyed almost every building on Main Street, saved was the Doctor's office and the Post office.

CHESLEY COMMUNITY PLAYERS

The Chesley Community Players formed in 1996 after the successful performance of the Homecoming production of "Charlie's Aunt". We have been blessed to work with the municipality as a committee group to maintain the interior of the Bijou Theatre for live theatrical and musical entertainment. We also cooperate with school and community groups in presentations and fundraising events.

Our annual meeting is held in February in our board room at the rear of the building at 7 pm. All are welcome to attend. We elect four directors for a two year term and nominations are accepted from the floor for any interested persons. A membership fee of \$5 is required for voting privileges. We are always looking for interested persons to assist on stage, back stage or with ideas for upcoming shows and events. Hope to see you there.

Our 2020 spring production will be "1 2 3 and Flush" written and directed by local playwright Roger Cosgrove. This is a comedy about the dilemmas of a pair of criminals who plan to rob the local jewellery store. Just when they think things are going well, along comes the United Church Choir to throw a wrench into the works. It also contains some original music from local musician and composer Patricia Walter. Production dates are May 21-23 & 29-30 at 7:30pm with a matinee at 2 pm on the 30th.

Our fall production will be "Little Women" directed by Kristen Sweiger, assisted by Faye Bell-McClure. Dates TBA.

Check out our website, <u>www.chesleycommunityplayers.com</u>, for information on auditions and upcoming events.

We have been blessed with many gifted directors and actors who willingly give of their time and efforts to create our productions. It takes many hours to produce each show. You never know the little things that are needed or the people who will step up and help out and we wish to thank them all!

So come on out and experience some live theatre here in our own municipality. We might just surprise you. See you at the show!

Chesley Agricultural Society

The first Fall Fair in Chesley was held in 1883. Each year the society organize and funds the Chesley Fall Fair to help promote agriculture in our community. Tara Horticultural Society The Tara Horticultural Society has been operating for over 90 years — that is over 90 years of beautifying the village of Tara by purchasing, planting and caring for the flowers at the village entrances, library, downtown parking lot, Cenotaph, and Rotary Park. We also choose and purchase the flowers for the hanging baskets, and street and bridge boxes on the main street. In addition to this, we bring interesting speakers to town and from time to time sponsor creative events and fund-raisers. Community donations and sale of memberships make this possible, and the members of the Tara Horticultural Society are grateful for the on-going support. If you are interested in helping with the THS in any way, please email

Mary Louise <u>mary.louise.wiley@gmail.com</u> or Karen <u>kerker@bell.net</u>. We welcome fresh ideas and enthusiastic helpers. There is a place for you here!
