For Immediate Release

Former Paisley Inn (604 Queen Street S) Demolition Ceremony

September 1, 2021

The Municipality of Arran-Elderslie in partnership with The Fisher Grist Milling Corporation are hosting a demolition ceremony to honour the former Paisley Inn building that is being demolished. This ceremony will be held to say goodbye to this landmark building and celebrate the future plans.

The former Paisley Inn (604 Queen Street S) building will begin to be demolished by Budget Environmental Incorporated starting in mid September and to be completed by mid October. Plans to rebuild a mixed residential and commercial building in the same location with many of the same design attributes and unique features are currently underway. Invizij Architects and Schilthuis Construction are leading the project to rebuild on this property.

The Municipality of Arran-Elderslie is excited to support this project and is looking forward to the building that will be constructed in the place which will pay homage to history of the former Paisley Inn and the positive addition that this future building will make to Downtown Paisley.

Former Paisley Inn Demolition Ceremony

Date: September 13, 2021 6:00pm to 7:00pm

Location: Paisley Cenotaph Square

Please note that this is a socially distanced gathering and masks will be required to worn.
