Community Directory

Chesley Community Players

The Chesley Community Players formed in 1996 after the successful performance of the Homecoming production of “Charlie’s Aunt”. We have been blessed to work with the municipality as a committee group to maintain the interior of the Bijou Theatre for live theatrical and musical entertainment. We also cooperate with school and community groups in presentations and fund-raising events.

Check out our website, www.chesleycommunityplayers.com, for information on auditions and upcoming events.

We have been blessed with many gifted directors and actors who willingly give of their time and efforts to create our productions. It takes many hours to produce each show. You never know the little things that are needed or the people who will step up and help out and we wish to thank them all!

So come on out and experience some live theatre here in our own municipality. We might just surprise you. See you at the show!

Chesley Hospital Foundation

The Chesley Hospital Foundation is here to support up-to-date equipment and facilities so that the best possible services are available for you when you need them. The provincial government does not provide funding for hospital equipment. Each community must provide for their local hospital through fundraising.

The Chesley Hospital Foundation is a registered charitable organization that raises funds through the generous support of individuals, families, companies and organizations for the Chesley site of the South Bruce Grey Health Centre (SBGHC). The Foundation is guided by a board of local volunteer directors, and works in tandem with Chesley Physician Recruitment to ensure the overall vibrancy of our local health care system.

The Chesley Hospital Foundation has committed \$190,000 for the 2021-22 year. Projects include: ceiling lift replacement, negative pressure room, renovate space for medication room, storage cabinets for supplies in exam/treatment rooms, digital scale for new second triage space, commodes, 13 bedside tables, 18 patient room chairs, IT software, drug library and phone systems.

How can you support your hospital?

- Cheques can be dropped off at the Foundation office in the hospital, or mailed to Chesley Hospital Foundation, Box 40, Chesley ON N0G 1L0
- Donate securely online by visiting chesleyfoundation.ca
- Contact us to arrange an e-transfer
- Contact us or visit our website for information on event sponsorship, legacy giving and other options to financially support your hospital

The Treasure Chest Museum was founded by Norman Hagedorn. Norman and his wife Ina, collected a wide variety of pioneer artifacts and in 1988 they donated their collection to the Village of Paisley. This collection includes small agricultural equipment, carpenter tools, clocks, blacksmith shop, glassware, coal oil lamps, crocks, bath sets, and much more. There is an archives section which has Paisley Advocates dating back to 1865 and Chesley Enterprise and Tara Leader papers dating back to 1922. The Gift Shop contains many History books of the area.
