Summer Newsletter 2025

Mayor's Message

With summer weather finally here, it brings me great pleasure to welcome our new and returning staff who will be working throughout Arran-Elderslie this season—helping out in all kinds of ways to keep things running smoothly and support our community.

Chesley will be celebrating this summer with a big 145th Homecoming Anniversary at the start of August. There are too many great events to list, please keep it in mind and attend if you're able.

Finally I'd like to recognize Rob Draper and Larry Walpole for their many years of service as they retire from the Tara and Chesley Fire Stations.

Have a great summer in Arran-Elderslie and safe travels.

Steve Hammell
