

Commemorative Tree Program

The Corporation of the Municipality of Arran-Elderslie recognizes that residents often wish to commemorate meaningful people, events, and milestones within our community. To support this, the Municipality has established a policy that allows for the donation of trees or park benches—each accompanied by a dedication plaque—within our green spaces. This policy provides a thoughtful and lasting way to celebrate and remember cherished moments, subject to specific terms and conditions.

Trees will be planted in the spring of each year. Applications received after May 1^{st} will be planted the following year.

Locations and species lists can be found on our website under the Living Here tab. Tree varieties are listed as examples and will depend on availability.

The minimum donation to participate in the program is \$2,000 plus HST (subject to change with Council approval) for the purchase, delivery, and planting of the tree.

The Municipality assumes ownership and responsibility for ongoing maintenance of the tree.

Commemorative plaques may be installed to identify the commemorative tree and are included in the program fee.

The Municipality of Arran-Elderslie is not responsible for the maintenance or replacement of commemorative plaques.
