# ARRAN-ELDERSLIE MUNICIPAL NEWSLETTER

## MAYOR'S MESSAGE

The good weather is here once again and as always, it's a great time to live in Arran-Elderslie. Splash pads are opening, and summer events will resume in support of local projects and initiatives. Staff are also looking forward to getting started on new projects. One such project is a new firehall in Paisley that will start this year. Another is accessibility improvements to our sidewalks and two elevators in our municipal office and the Paisley Community Centre. We are also pleased to welcome new staff to our team. Devan Baker has started with us as an Administrative Coordinator, and Jessica Pridham is our new Economic Development & Communications Coordinator.

This past spring, Council and myself advocated for continued support for the Chesley Hospital and its Emergency Department. We took part in the rally in Chesley, a bus trip to Queens Park, several interviews with the press, and additional discussions with MPP Byers. We will continue our support into the months ahead.

I want to thank our staff for all their hard work to start this new term of council and look forward to the warm summer weather.

**Mayor Steve Hammell**
