**Request for Quotation**  
**RFQ No.: PW-2026-03**  
**Supply and Delivery of One (1) Diesel Standby Generator Set**  
**Issue Date: April 23, 2026**  
**Closing Date and Time: May 12, 2026, 11:00 a.m.**

## **1. Introduction and Background**

The Municipality of Arran-Elderslie is seeking quotations for the supply and delivery of a 55-kW open frame diesel generator set to support the continued operation of critical municipal infrastructure during power outages.

## **2. Scope of Work**

This Request for Proposal is intended only for the Supply and Delivery of following items. Site preparation and electrical work to be undertaken separately by the Municipality and are not included in the scope of this RFQ.

### **Specifications**

**Supply and Delivery** of one (1) 55-kW open frame diesel standby generator set compliant with CAN/CSA-C282 standards.

Engine:

- Type: Diesel, 4-stroke cycle engine.
- Cooling: Closed-circuit, liquid cooled.
- RPM: 1800 RPM.
- Displacement: Specific to the manufacturer and model.
- Fuel System: Direct fuel injection

Generator/Alternator:

- Power Output: 55 kW standby power at 0.8 power factor.
- Phase: Three-phase.
- Voltage: 600/347V.
- Frequency: 60 Hz.
- Insulation Class: H, providing high thermal capacity.

Control System:

- Digital control panel with LCD display.
- Automatic start/stop and transfer switch compatible.
- Alarms for critical systems: oil pressure, water temperature, overspeed, etc.
- Remote monitoring capabilities.

Fuel System:

- Fuel Type: Diesel.

#### Starting System:

- 12V or 24 V electrical starting system.
- Battery charger included.

#### Exhaust System:

- Municipal staff will use the existing muffler system from the current generator and will be responsible for completing the retrofit of the new generator.

#### Miscellaneous:

- Block heater for cold starts.
- Skid-mounted for stable installation.
- Compliance with CSA, EPA Tier 2 or higher emissions standards.

**Delivery Location:** Mill Street Pumpstation, 46 Mill Street, Tara, ON

**Delivery Timeline:** Within twelve (12) weeks after contract award.

### **3. Warranty Requirements**

Minimum warranty period of three (3) years, or, 3,000 hours, whichever comes first.

Full Coverage during the initial period, including parts and labor for repairs due to defects in materials and workmanship. Coverage should include major components such as the engine, generator alternator, and control systems as well as cover travel time and/or mileage.

### **4. Instructions to Bidders**

#### **Submission Format:**

Quotations may be submitted in person, electronic PDF format or submitted via [www.biddingo.com](http://www.biddingo.com), by the specified submission deadline.

#### **Submission Deadline:**

May 12, 2026 11:00 a.m.N

#### **Contact Information:**

Chris Legge, Water & Sewer Foreman,  
Email - [clegge@arran-elderslie.ca](mailto:clegge@arran-elderslie.ca),  
Cell - 519-270-9083

### **5. Qualifications and Requirements**

Bidders must demonstrate experience in supplying similar equipment.

Provide at least three references from recent clients. The Municipality of Arran-Elderslie reserves the right to contact submitted references to verify the workmanship of the proponent.

## **6. Evaluation Criteria**

Price: 30% - Competitiveness of the quoted price.

Technical Compliance: 30% - Adherence to specified technical parameters.

Warranty and Service: 20% - Offered warranty period and parts and repair services.

Delivery Schedule: 10% - Capability to meet the specified timelines.

Experience: 10% - Verifiable workmanship on contracts of a similar nature.

## **7. Pricing and Payment Terms**

Provide prices in Canadian Dollars (CAD).

Include all applicable taxes and duties.

Payment within 30 days of delivery and acceptance by the Municipality.

## **8. Standard Terms and Conditions**

Compliance with all applicable laws and regulations.

Commercial general liability insurance coverage of at least \$2,000,000.

The municipality reserves the right to reject any or all quotations.

## **9. Contract Award**

The lowest or any price quotation will not necessarily be accepted.

Notification of award will be made on or before May 25, 2026.

The municipality reserves the right to negotiate final terms.

## **9. Legal and Compliance Requirements**

All work must comply with the Accessibility for Ontarians with Disabilities Act (AODA). Bidders must ensure that all provided equipment adheres to relevant safety standards and regulations.
