Community Directory

Chesley Community Players

The Chesley Community Players formed in 1996 after the successful performance of the Homecoming production of “Charlie’s Aunt”. We have been blessed to work with the municipality as a committee group to maintain the interior of the Bijou Theatre for live theatrical and musical entertainment. We also cooperate with school and community groups in presentations and fund-raising events.

Check out our website, www.chesleycommunityplayers.com, for information on auditions and upcoming events.

We have been blessed with many gifted directors and actors who willingly give of their time and efforts to create our productions. It takes many hours to produce each show. You never know the little things that are needed or the people who will step up and help out and we wish to thank them all!

So come on out and experience some live theatre here in our own municipality. We might just surprise you. See you at the show!

Chesley Hospital Foundation

The Chesley Hospital Foundation is here to support up-to-date equipment and facilities so that the best possible services are available for you when you need them. The provincial government does not provide funding for hospital equipment. Each community must provide for their local hospital through fundraising.

The Chesley Hospital Foundation is a registered charitable organization that raises funds through the generous support of individuals, families, companies and organizations for the Chesley site of the South Bruce Grey Health Centre (SBGHC). The Foundation is guided by a board of local volunteer directors, and works in tandem with Chesley Physician Recruitment to ensure the overall vibrancy of our local health care system.

The Chesley Hospital Foundation works with you, our community, to raise funds to purchase equipment and improve the facilities at the Chesley hospital location of SBGHC and local physician recruitment efforts. The provincial government does not provide significant funding for these important pieces to your healthcare needs.

How can you support local healthcare?

- Follow us on social media! Share our posts – or even consider volunteering with us!
- Call us or visit our website for information on event sponsorship, legacy giving and other options to support your hospital and healthcare in Arran Elderslie and surrounding community
- Visit our office in the Chesley Hospital (office hours)
- Attend and support our Royal Gala this fall! (details to come)

Tara Horticultural Society

The Tara Horticultural Society has been operating in the village for 98 years — that is 98 years of purchasing, planting and caring for the flowers throughout town. In 2021, we added a garden at the columbarium, refurbished the one in front of the library and reclaimed another at the Rotary Park. We also choose and purchase the flowers for the hanging baskets, and street and bridge boxes on the main street. In addition to this, we bring interesting speakers to town and sponsor creative events and fund-raisers. Community donations and sale of memberships make this possible, and the members of the Tara Horticultural Society are grateful for the on-going support. If you are interested in helping the THS in any way, please email tarahorticulturalsociety1924@gmail.com

We welcome fresh ideas and enthusiastic helpers.

The Treasure Chest Museum was founded by Norman Hagedorn. Norman and his wife Ina, collected a wide variety of pioneer artifacts and in 1988 they donated their collection to the Village of Paisley. This collection includes small agricultural equipment, carpenter tools, clocks, blacksmith shop, glassware, coal oil lamps, crocks, bath sets, and much more. There is an archives section which has Paisley Advocates dating back to 1865 and Chesley Enterprise and Tara Leader papers dating back to 1922. The Gift Shop contains many History books of the area.

Chesley Hospital Community Support

Concerned about the pattern of increasing ER closures and service reductions at the Chesley Hospital, this committee, formed of area residents, has come together to provide local residents of our area an opportunity to show support for our Hospital, our ER, our local health care professionals and our Physician Recruitment team.

We are holding a rally at the Chesley Community Centre on April 1st to talk about the value of our hospital to our community. The day will include speakers, many of them from within our local health care community, and other opportunities to show support.

The committee is working actively but more volunteers are needed to make this initiative a success. If you have some time to give, please check out our website www.chesleyhcs.ca or our Facebook page. Our email is contact@chesleyhcs.ca and we would welcome new members.
